

CROUP CONQUERED

Every Mother Should Read and Remember This

In any home where a child has a tendency to croup, a bottle of HYOMEL (pronounce it High-a-me) should be kept constantly on hand.

A sudden attack of croup with difficult breathing and extreme distress is apt to come on at any time. The course to be pursued is plain. Send for your doctor at once, and in the meantime, drop 30 drops of HYOMEL into a bowl of boiling water and hold the child's head over it, cover with a towel or cloth, so that only the air filled with Hyomel vapor is breathed.

This method of treatment has saved many a child's life, and mothers of croupy children should see to it that HYOMEL is always on hand. Full instructions for prompt relief of croup is in each package.

A 50c bottle of HYOMEL is all you need in all drug stores. Extra bottle HYOMEL is used in treating croup. This is known as Inhalant. Druggists everywhere and The Lee & Osgood Co. sell it. Hyomel HYOMEL. It is guaranteed to cure croup, croup, sore throat, bronchitis, coughs and colds, or money back.

UNIVERSALISTS HAVE ROLL CALL

Large Gathering of Local Members and Many Absentees Heard From by Letter—Missionary Meeting.

The annual roll call of the Universalist church was held at the Buckingham Memorial on Thursday evening at the regular midweek meeting of the church. There was a large number in attendance, Rev. Joseph F. Cobb presiding. During the evening there was a celebration of the Lord's supper.

Much of the evening was occupied with the roll call, there being 64 in the city who responded, while there were 24 from out of town who responded by letter, so that a large majority of the members were heard from in one way or another. The letters came from members all over New England and New York state, while one came from Dundee, Scotland. In most of the letters the expression was that the happiest days of the writers had been spent in Norwich, and love for Norwich and the friends here was expressed. Rev. Mr. Williams of Dun-

deed told of his pleasant relations here, as did Rev. L. P. Blackford of South Boston, a former pastor, who was pastor of the church for one of the longest periods of any, having been here eight and a third years. There was present one member from Providence. The letters as read by Rev. Mr. Cobb were heard with much interest, as different sections of the country were heard from.

The Mission circle of the Universalist church held their meeting this week Tuesday with Mrs. Chauncey B. Woodworth of No. 155 Laurel Hill avenue, at which there was a good sized attendance. A paper prepared by Mrs. Mary Jewett on The Mission of Jerry McAuley in New York was read by Miss Jewett and was heard with much interest, telling as it did of the wonderful work done there among the slums.

GERMANS WILL PICNIC

County Event Will Be Held at Richards' Grove June 25.

Richards' grove has been selected as the place for the German day celebration, the day to be participated in by five big German societies of the county. At a recent meeting in Taftville it was decided that the affair should be held at the grove.

Sunday, June 25, is the date. The celebration will take the form of a big picnic. Norwich, Taftville and New London societies are interested in this.

PIANO RECITAL

Given at Mt. Calvary Baptist Church by J. T. Migkins.

A largely attended piano recital was given on Thursday evening at Mt. Calvary Baptist church by J. T. Migkins, pianist, assisted by R. Arlington Smyth, violinist. Musically ability was shown in each number of the chosen programme, and the applause was enthusiastic for the players, who showed sympathy and a good command of technique in each number. Rev. J. H. Dennis, pastor of the church, spoke briefly in appreciation of the fine programme that had been given and the skill of the two performers. The following was the programme:

Part I—Largo (Bocchvitz and Handel), Mr. Migkins; Blumenfeld (G.

Lange), Mr. Migkins; Leon Du Hal (Grieg), Mr. Migkins; La Voisicour op. 21 (H. Van Gaal), Mr. Migkins; Intermezzo Cavalleria Rusticana (Mascagni), Mr. Migkins and Mr. Smyth.

Part II—Life's Journey op. 3 E. Warner), Mr. Migkins; Seneca Rustique (F. Sorowall), Mr. Migkins and Mr. Smyth; Variations VII and VIII (Strauss and Wagner), Mr. Migkins.

REV. J. G. STANTON
CALLED TO BUDA, ILL.

Probable That Moosup Pastor Will Locate in Central West.

Rev. John G. Stanton, who on Sunday last completed his last Sunday's work as pastor of the Union Plained Baptist church of Moosup, received on Wednesday morning a cordial invitation to become pastor of a flourishing Baptist church at Buda, Ill., about one hundred miles southwest of Chicago.

In extending the call to Mr. Stanton to become pastor of this church, a salary is offered that is highly satisfactory and a liberal allowance is offered to cover traveling expenses. The church has a membership of about 140 and the parties write that the church edifice and parsonage are both nearly new and in fine condition. The parsonage is supplied with modern conveniences, including furnace, electric lights and bath.

Mr. Stanton has for some time had in mind a field in the central west, and this call to Buda he is considering seriously. He has until April 20 in which to give his decision.

GHANBOUR GREENHOUSES.

Handsome Flowers at This Season, Which Public Can See.

Easteride always means lovely flowers at the greenhouses of Mrs. William Camp Lamkin at Ghanbour, on Washington street, which the public is cordially invited to inspect daily until Sunday from 9 to 12 a. m. and from 2 to 5 p. m. Under expert care such as is given by the gardener, Charles T. Beasley, the flowers this year are of surpassing beauty, in coloring and distinction as to size, making the exhibition among the best and largest that

has ever been given at Mrs. Lamkin's greenhouses, and with such results.

The display includes flowering plants of every variety, and flowers of rare varieties, and also a number of baskets very effectively arranged by designer Haggerty.

Among the cut flowers are some beautiful roses, featured in the Mrs. Aaron Ward, a copper yellow, which is unusually exquisite in texture and color. There are also white and pink carnations, and Mrs. Merriam (pink). The display in addition includes Spanish iris, forget-me-nots, snap dragons, daffodils, large carnations in three shades, etc.

One of the pretty baskets includes pink lilacs, hydrangeas and ferns in hidden pots and decorated with pink ribbon. There are also baskets of mixed begonias and other flowers, all most artistically and daintily arranged.

Connecticut Patents.

Porter, Bristol, alarm clock. Designs: Walter H. Hart, New Britain, hinge; Murray B. Leete, Wallingford, spoon, fork or similar article.

Vienna Flying Machine.

A new airship, Vienna model 1911, is the unique window display of a Main street cigar store, whose proprietor has a talent for arranging all sorts of novel mechanical devices. The elongated loaf of bread that does duty as the big gas bag is reason enough for the name given this particular airship.
